

K-Love is an inspiring 24 hour per day, 7 days a week radio station that provides a positive influence for our family. I believe that if K-Love was not available to our local community many would not receive that daily uplifting, life-transforming music and comments. I believe that everyone that who hears this radio station is effected by this radio station. I would sincerely ask that you do not allow LPFM Stations to take priority over current FM Translator Service.  
PLEASE KEEP K-LOVE ON THE AIR in our area.  
Thank you.
